**Come watch, swim and enjoy the
2023 Eastern Zone Open Water Championships!**

This 2 day race event, a bay race with tides and currents, will be highlighted with the 5k swim Saturday - men first followed by the womens race. All races will drone streaming coverage, live race announcing, and awards on site.

Sunday will be the 2.5K, 1 mile race, and new this year, an exciting open water relay (a great opportunity for younger swimmers to get involved in open water swimming).

The swimmers, coaches and spectators will enjoy their time at Beesley's Point. Click [HERE](#) to learn more.
